Headteacher: Ms. C. Costello

Dear Parents/Carers

We have been notified today that a member of our staff has received a positive test result for Covid. There is a clear and identifiable route of infection which does not involve Shoeburyness High School.

Following notification I have completed a risk assessment in conjunction with the DfE coronavirus helpline. They were able to confirm that no further action needed to be taken by the school.

I apologise that you may have seen this story reported in The Echo before I had an opportunity to communicate with you. I assure you that I have NOT spoken with The Echo today. I will always tell you when we have a positive case at our school, whether staff or student, because with that knowledge we are all better placed to act appropriately as required and will therefore have an improved chance of keeping transition rates low within our community.

Yours faithfully

Ms Clare Costello
Headteacher
