Estrecho de Gibraltar: mueren indocumentados

Una patera que transportaba a 23 inmigrantes se hundió cerca de la costa gaditana, provocando la muerte de por lo menos seis personas. Otros 11 pasajeros se encuentran desaparecidos y se presume que también habrían perdido la vida.

Entrar ilegalmente a España era el objetivo final de los viajeros. Los sobrevivientes confesaron que habían pagado unos 1.000 euros a los contrabandistas para que los guiaran a través del Estrecho.

Straight of Gibraltar: undocumented migrants are dying

A dinghy that was transporting 23 immigrants sank just off the coast of the Cadíz region, causing the death of at least six people. Another 11 passengers are missing and are also presumed to have lost their lives.

Illegally entering Spain was the final goal of the travellers. The survivors admitted that they had paid 1000 euros each to the smugglers to guide them through the straight.

Career Progression

The ability to communicate in more than one language is a highly sought after skill by employers as being able to speak another language allows you to communicate and trade with customers in other countries.

It also affords you the opportunity to work in other countries.
