Geography will lead you places!

Would you like to be the next David Attenborough or Simon Reeve?

Do you like learning about current affairs, want to plan cities or lead an environmental revolution?

@Humanities_SHS

www.shoeburynesshigh.co.uk

If you answered yes to any of the above,
geography could be for you!

GCSE Geography

Subject Information

Our exam board is **Edexcel**.

There are **three** exams at the end of the two year course:

- **Component 1**- The Physical Environment
- **Component 2** – The Human Environment
- **Component 3** – Geographical Investigations: Fieldwork and UK Challenges

@Humanities_SHS

www.shoeburynesshigh.co.uk

GCSE Geography

Component 3 – Geographical Investigations: Fieldwork and UK Challenges

At Shoeburyness High School we undertake **two fieldtrips**. In year 10 we usually visit a **Coastal** environment (Walton-On-The-Naze, Essex), and in year 11 we visit an **Urban** environment (Stratford, London).

We also look specifically at a number of different challenges facing the UK, which link in with the physical and human geographical topics we have studied.
